### **HOW CAN I ASSIST YOU?**

Choosing an attorney can be a daunting task. Many people fear speaking with lawyers because they believe they will feel intimidated and overwhelmed with "legalese" and, most of all, they fear that the attorney will charge exorbitant legal fees.

What sets me apart from other lawyers is:

- \* "Personal Touch" legal planning
- \* Free one-half (1/2) hour legal consultation
- \* Comfortable and informal home office setting
- \* Candor and straightforward legal advice
- \* Educating my clients so they understand their options to make informed decisions
- \* Explaining documents
- \* Prompt response to e-mails
- \* Always call clients (and potential clients) back when they leave a voice message
- \* Honor my price quotes for services
- \* Family Meetings
- \* Meeting clients in their residence
- \* Meeting clients in Assisted Living and Nursing Home Facilities
- \* Meeting clients in the hospital or hospice
- \* Getting to know my clients personally, not just their legal needs
- \* Providing alternatives and options to consider in legal planning
- \* Providing legal services at reasonable rates and not exorbitant fees
- \* Offering 30 years of legal experience

If I can be of assistance, I welcome the opportunity to work with you.
