

DISTRIBUTION OF PERSONAL PROPERTY

I have executed estate planning documents which allow me to leave a list specifically designating my personal property to specific individuals. I intend this to be that list and I direct my Personal Representative, Trustee, adult children, or beneficiaries to abide by the following designations as if these instructions were contained within my Will or Trust. I may create a new list over time. I only need sign and date this list; it does not have to be witnessed or notarized.

ITEM FOR DISTRIBUTION

TO WHOM GIVEN

Dated this _____ day of _____, 20__
